### Section I

|   |   |
|---|---|
| Manufacturer's Name   | Emergency Telephone Number 704-784-1130       |
| EZZY CLEAN-UP INC   | Poison Control Center 1-800-222-1222          |
| Address <i>(Number, Street, City, State, and ZIP Code)</i> 2895 | Telephone Number for Information 704 784-1130 |
| ARMENTROUT DR   | Date Prepared March 1 2003                    |
| CONCORD NC 28025  |   |

### Section II - Hazard Ingredients/Identity Information

| Hazardous Components (Specific Chemical Identity; Common Name(s)) | OSHA PEL | ACGIH TLV | Other Limits Recommended |
|---|----------|-----------|--------------------------|
| PROPRIETARY BLENDS  |          |           |                          |
| DOWANOL CAS NO. 11-773  |          |           |                          |
| SURFACTANTS   |          |           |                          |

### Section III - Physical/Chemical Characteristics

|                                       |     |   |    |
|---------------------------------------|-----|---|----|
| Boiling Point                         | 212 | Specific Gravity (H <sub>2</sub> O = 1) | 1  |
| Vapor Pressure (mm Hg.)               | NA  | Melting Point                           | NA |
| Vapor Density (AIR = 1)               | 1   | Evaporation Rate (Butyl Acetate = 1)    | 1  |
| Solubility in Water MISCIBLE          |     |   |    |
| Appearance and Odor BLUE AND PLEASANT |     |   |    |

### Section IV - Fire and Explosion Hazard Data

|   |                                |         |         |
|---|--------------------------------|---------|---------|
| Flash Point (Method Used) NONE  | Flammable Limits NON FLAMMABLE | LEL N/A | UEL N/A |
| Extinguishing Media Use water spray, dry chemicals, foam or carbon dioxide. Do not flush into storm drains or public sewers.  |                                |         |         |
| Special Fire Fighting Procedures Do not direct a solid stream of water or foam into hot, burning pools; this may cause frothing and increase fire intensity. Use self-contained breathing apparatus (SCBA) and proper personal protection clothing. |                                |         |         |
| Unusual Fire and Explosion Hazards NONE NOTED   |                                |         |         |

(Reproduce locally)

OSHA 174, Sept. 1985

### Section V - Reactivity Data (WASH & WAX car wash)

|           |          |   |  |
|-----------|----------|---|--|
| Stability | Unstable |   |  |
|           | Stable   | X |  |

|  |                |   |                                   |
|--|----------------|---|-----------------------------------|
| Incompatibility ( <i>Materials to Avoid</i> ) AMMONIA, BLEACH, ACIDS, STRONG OXIDIZING AGENTS. |                |   |                                   |
| Hazardous Decomposition or Byproducts NONE KNOWN   |                |   |                                   |
| Hazardous Polymerization   | May Occur      |   | Conditions to Avoid<br>NONE KNOWN |
|  | Will Not Occur | X |                                   |

**Section VI - Health Hazard Data**

|   |                |                     |                    |
|---|----------------|---------------------|--------------------|
| Route(s) of Entry:  | Inhalation YES | Skin? YES           | Ingestion? YES     |
| Health Hazards ( <i>Acute and Chronic</i> ) MAY IRRITATE EYES OR REDDEN SKIN  |                |                     |                    |
| Carcinogenicity:  | NTP? NO        | IARC Monographs? NO | OSHA Regulated? NO |
| Signs and Symptoms of Exposure MAY IRRITATE EYES, REDDEN SKIN, OR CAUSE COUGHING.   |                |                     |                    |
| Medical Conditions Generally Aggravated by Exposure. NONE KNOWN   |                |                     |                    |
| Emergency and First Aid Procedures EYES : Flush with water for 15 minutes. Do not rub eyes. GET MEDICAL ATTENTION.  |                |                     |                    |
| <p>EYES: Flush with water 15 minutes. DO NOT RUB EYES. Get medical attention.</p> <p>SKIN: Flush with water 15 minutes. Rinse with vinegar or citrus juice. If rash develops get medical attention.</p> <p>INHALATION: Remove individual to fresh air. If not breathing, give artificial respiration. Get medical attention.</p> <p>INGESTION: If victim is conscious and able to swallow, have victim drink water or milk as soon as possible. DO NOT give anything by mouth if victim is unconscious or is having convulsions. CONTACT POISON CONTROL IMMEDIATELY 1-800-222-1222.</p> |                |                     |                    |

**Section VII - Precautions for Safe Handling and Use**

|  |
|--|
| Steps to Be Taken in Case Material is Released or Spilled<br>Further rinsing with vinegar will neutralize product which helps prevent slippery conditions. |
| Waste Disposal Method SEWER OR SEPTIC  |
| Precautions to Be taken in Handling and Storing DO NOT PUNCTURE CONTAINER  |
| Other Precautions Eye wash and safety showers are recommended in the immediate work area.  |

**Section VIII - Control Measures**

|   |                               |                                       |             |
|---|-------------------------------|---------------------------------------|-------------|
| Respiratory Protection ( <i>Specify Type</i> ) NONE NEEDED  |                               |                                       |             |
| Ventilation   | Local Exhaust X               | Special                               | NONE NEEDED |
|   | Mechanical ( <i>General</i> ) | Other                                 |             |
| Protective Gloves Rubber  | Eye Protection                | GOGGLES/WITH SIDE SHIELDS RECOMMENDED |             |
| Other Protective Clothing or Equipment RUBBER APRON IF NECESSARY  |                               |                                       |             |
| Work/Hygienic Practices Do not eat, drink, or smoke where chemicals are stored or handled. Wash thoroughly before handling food or beverages. |                               |                                       |             |
